

Between Jobs

Between Jobs is an active ministry of Westminster Presbyterian Church helping people inside and outside the church find employment opportunities.

For Individuals who are between jobs:

Between Jobs meets at the **Beavercreek YMCA** on the second and fourth Tuesdays of the month from **6:00 to 7:00 p.m.** Each meeting includes a spiritual component, a sharing component, and a personalized component. The program supports job seekers through one or more of the following methods: resume writing, networking, interviewing and connecting group members with individuals who are from our church. The group will operate as it has in the past, but in conjunction with the YMCA. We will offer childcare and YMCA scholarships for those who are interested in using the Y.

For Individuals who are employed or retired and want to help:

Westminster is looking for people who can help advise individuals seeking work opportunities in the following areas: Construction, Contracting, Customer Service, Chemistry, Engineering, Financial, Healthcare, Physics, Information Technology, and Education. We can provide background on our program and general assistance, but we need specific experts to help guide folks seeking employment. It's easy, fulfilling, and greatly needed. For more information about Between Jobs contact Westminster member, Vic Barnett at vic.barnett@daytonaero.com.
